CLUB

*From the top, Avenida da Liberdade takes on another dimension. The terraces overlook the city with privileged views over São Jorge Castle, Torel Garden, Eduardo VII Park and the Tagus River.*

## JNcQUOI CLUB

JNcQUOI concept stands for elegance and comfort, refined setting and excellent service, imagination and naturalness, relaxed atmosphere, and attention to every detail, no matter how small.

The architect Lázaro Rosa-Violán maintained the sophisticated language that defined JNcQUOI Avenida and JNcQUOI Asia, although imagining JNcQUOI Club as a more intimate place, sheltered from the city, less exposed, without ever losing the ability to adapt to the different rhythms: welcoming and relaxed, or busy and musical, or even contemplative and private.

The JNcQUOI Club is a private club reserved for members and their guests. Members will benefit from unique cuisine, special wine tastings, and a diverse and always stimulating calendar of events — concerts, exhibitions, shows, conversations with extraordinary people, among others — a cultural agenda designed specially for our member by a professional team who knows the best of what our city and in the world has to offer.

The JNcQUOI Club has a team committed to this noble objective: to make your days and nights fulfilled and memorable.

Lisbon happens here.
